ABOUT THE BIKE & BUILD EVENT

Bike & Build is a national, nonprofit organization that engages young adults in service-oriented cycling trips to raise money and awareness for the affordable housing cause. It is a once-in-a-lifetime experience that fosters a sustained connection to community. They advocate for affordable housing in thousands of communities across the country. Bike & Build riders will be traveling the Key West-to-Canada route, and will be stopping in West Palm Beach/Riviera Beach with the hopes of fulfilling their mission and contributing to our community. Volunteer work will include painting and landscaping on a few houses for elderly residents.

FREE breakfast, lunch, and dinner will be provided.
