Creativity STATION SUMMER CAMP 2019

June 3rd-21st | 8:30am-3pm
Entrepreneurship. Science.
Arts. Financial Literacy.
Technology.

FREE
REGISTRATION

**BREAKFAST
AND LUNCH
PROVIDED**

**FOR AGES
7-17**

Space Exploration

Inspiring the next generation of space explorers with a field trip to the Kennedy Space Center Visitor Complex.

Artistic Problem Solving

Campers will use their powers of observation as they tour the Norton Museum's galleries. Then, use their creative problem-solving skills to create a work of art.

Creative Filmmaking

From sound mixing to storyboarding, get creative as you channel your inner producer and explore the entire filmmaking process.

Developing Life Skills

Campers will develop the business skills that will make them smart, savvy and successful. They will also get real-world advice from business owners, economists and entrepreneurs.

Other fun activities:

- ✓ Launch into a galaxy of fun and learning through authentic NASA activities.
- ✓ Explore Southeast Florida's largest private shell collection at Sandoway Discovery Center.
- ✓ Tour a local police station and learn about personal safety, and how to avoid dangerous situations.
- ✓ Get hands on by flying drones, programming edge of space launches, airplane rides, and a lot more!

REGISTER NOW!

Please Hurry...Spaces are Limited.
